We are inviting you to come worship with us. You will be made to feel welcome and will not be singled out or embarrassed in any way. Although a collection will be taken, visitors are not expected to contribute. Simply sit and listen — or better yet, participate!

Worship is very important, but it's not the only important thing in the Christian life. We love each other, we love to be together, and we love to help others. So, in addition to our worship services we invite you to be a part of this family!
